

FIGURES AND TABLES

FIGURES

1. Public interest for five search terms 4
2. Ohio Continuum of Care map 17
3. Per capita rates of homelessness in select U.S. regions,
2007 20
4. Per capita rates of homelessness in select U.S. regions,
2019 21
5. Rank of indexed rates of homelessness, 2010 v. 2019 22
6. Median and variance of per capita homelessness,
2007–2019 25
7. Percent with income below poverty level versus PIT count
(per capita) 78
8. Unemployment rate versus PIT count (per capita) 83
9. Rate of serious mental illness versus PIT count
(per capita) 87
10. Rate of illicit drug use versus PIT count (per capita) 89

11. Rate of substance use disorder versus PIT count
(per capita) 89
12. Percent Black/African American versus PIT count
(per capita) 92
13. January average temperature versus PIT count
(per capita) 100
14. January average temperature versus indexed
homelessness 101
15. January average temperature versus unsheltered count
(per capita) 102
16. Benefit/rent ratio versus family PIT count (per capita) 109
17. Low-income migration rate versus PIT count
(per capita) 112
18. Median gross rent as a percentage of household income
versus PIT count (per capita) 124
19. First-quartile housing cost burden versus PIT count
(per capita) 126
20. Median contract rent versus PIT count (per capita) 128
21. First-quartile rent versus PIT count (per capita) 129
22. Median rent versus rental vacancy rate 133
23. Rental vacancy rate versus PIT count (per capita) 133
24. First-quartile vacancy rate versus PIT count
(per capita) 135
25. Change in population versus PIT count (per capita) 137
26. Population growth versus housing supply elasticity 160

TABLES

1. Summary of Vacant Units: San Francisco, 2017 140
2. A Typology of Cities 163
